3/18: New this week at [Smoke Signals Online](#) ...

This week at Smoke Signals Online, the Smoking Fetish Megasite, we've got more than 550 new photos and 28 minutes of new video. In the photo galleries, sweet Jenna shows her sexy side as she smokes a Marlboro 100 with great style. And in a terrific R/X debut, gorgeous Whitney who is a fabulous smoker, masturbates while nude and smoking Marlboro 100s; even while playing with herself, we see perfect french inhales and snaps, thick mouth and nose exhales.

In the video galleries, Tash W. opens with a faux glamour shoot, showing off her great ball snaps, french inhales, mouth and nose exhales, double drags and cute look; she then smokes small cigars with all of her great style on display when she inhales the smoke (about half the time) – the rest of the time, she consciously tries not to inhale, which she admits is very hard. And Sara P. shows off more of her fabulous smoking in a glamour shoot.
